Cabañas Playa Guardiamó is located in Quemchi, Isla Grande de Chiloé, 42°08'00"S 73°31'00"O; where we do our best to make your stay unforgettable.

From the start, you can forget about driving and focus on relaxing, discovering new places, and enjoying delicious wines and food.

The program includes:

- Transfers included in the itinerary.
- Breakfast, lunch, and "once" (a Chilean afternoon meal/dinner).

On days with tourist outings, snacks will be provided instead of lunch. All meals are locally inspired, featuring must-try dishes like *curanto en olla*, *salmón cancato*, *caldillo de congrio*, *cazuela*, and more. During your stay, we'll also offer small treats on the house, including local cakes and specialties (don't forget to ask for: "sopaipillas pasadas," "kuchen," "vino navegado," etc.).
